Dear Honorable Judge Harry D. Leinenweber,

I, Kimberly Fashauer, am writing in regards to Robert Sylvester Kelly's case, asking that you please reconsider his detention order at this time, and that you please consider Compassionate Release. With this pandemic that hit the US, Robert Sylvester Kelly's age and health issues put him in the category of high risk for complications from the Coronavirus, that's killing many people all over the world.

As i've stated before, I'm fully aware of the gravity of the allegations in this case, and I personally wouldn't consider him a flight risk, especially with this worldwide pandemic that's taken place. Robert Sylvester Kelly knows the seriousness of this matter/case as well, and I know whole-heartedly that he would not do anything to jeopardize himself or this case if he were allowed to be released. He has always made a commitment to fulfilling his obligations, which also brings strong confidence that he will comply with any and every conditions of release. Mr. Robert Sylvester Kelly would keep his word, face his obligations and honor his responsibilities, and with that being said I am asking for mercy from the court to allow him to be able to return to the safety of isolation at his place of residence.

Sincerely,

Kimberly Fashauer
